## GRADUATION REQUIREMENTS

As established by the Tennessee State Board of Education and the Sumner County Board of Education and regarding graduation requirements, a high school diploma or an appropriate certificate will be awarded as described below:

### Graduation Requirements

#### (a) High School Diploma and Special Ed. Certificates

1. The high school diploma will be awarded to students who earn 26 units of credit and have satisfactory records of attendance and conduct for 8 terms.
2. A transition certificate may be awarded at the end of the 4<sup>th</sup> year of high school to students with disabilities who have taken 26 units of credit, have satisfactorily completed their IEP, and have satisfactory records of attendance and conduct for eight terms.

3. An IEP certificate will be awarded to students with disabilities who have satisfactorily completed an individualized education program, successfully completed a portfolio, and have satisfactory attendance & conduct for 8 terms.

**(b) High School Diploma**

The following 26 units shall be required for graduation.

English Language Arts .....	4
Mathematics.....	4
Science.....	3
Social Studies.....	3
Wellness.....	1
Physical Education.....	0.5
Personal Finance.....	0.5
Foreign Language.....	2
Fine Arts.....	1
Elective Focus.....	3
Additional Sumner County Electives.....	4
<b>TOTAL.....</b>	<b>26</b>

Students who do not meet the minimum requirements will not receive a diploma and will not be permitted to participate in the graduation ceremony.

**FOCUSED AREA**

Students, as you attend Beech High School for four years, you will be required to choose and develop a focused area of study. This focused area will be developed by taking three courses or electives in an area of interest. Our CTE, Career Technical Education program provides over twenty different Programs of Study for you to choose. They range from Business Management to Power, Structures and Technical Systems. You will discover that there are a wide range of focus areas available to you. In addition, a student may also challenge themselves to develop a focus area of study by taking three additional courses (beyond the required number) in the areas of Math, Science, or Fine Arts.

**SUMNER COUNTY ACADEMIC RECOGNITION/GPA**

<b>Tiers of Recognition</b>	<b>Cumulative GPA</b>	<b>Honors and AP Credits</b>
“With Highest Recognition”	3.90	18
“With High Recognition”	3.70	16
“With Notable Recognition”	3.50	14
“With Recognition”	3.50	Fewer than 14

With the exception of transfer students (see item number 4 below), this academic recognition plan includes all credits attempted by students for all terms of their high school career. The GPA is based on a four-point scale with internal weighting only (three points on the final numerical

grade for an honors course and five points on the final numerical grade for an Advanced Placement course).

1. Rank by number will be assigned only to valedictorian and salutatorian. If there is a GPA tie, the valedictorian will be identified as the student having the highest GPA coupled with the largest number of credits at the honors and AP levels. For purposes of ranking valedictorian and salutatorian, only classes in a student's 4 period schedule will count in the number of honors and AP credits. Hence any virtual class taken in addition to a student's normal school schedule (4 classes per semester) will not be counted in the number of honors and AP credits.
2. If the GPA and the number of credits are tied, the individuals at this level will share rank. If no students qualify for valedictorian or salutatorian at the highest recognition tier, then each successive tier will be reviewed for students with the highest GPA and, in case of a tie, with the highest number of honors and AP credits within that tier. Students other than valedictorian and salutatorian will be recognized only by the tier in which they fall not by a specific number.
3. Credits earned prior to entering the ninth grade will not be included in the computation of grade point average and academic recognition.
4. No transfer course will be awarded honors or AP credit unless so designated on the transcript. Honors and Advanced Placement transfer credit will be accepted only from schools accredited by the Tennessee Department of Education or those accredited by agencies approved by the Tennessee Department of Education.
5. Sumner County Schools will honor the letter grades reflected on the transcript of the transferring student from the Tennessee Department of Education's list of approved schools at <http://tn.gov/education/topic/non-public-schools>.
6. To be named valedictorian or salutatorian, a student must be enrolled in the high school the last five of the eight terms in school. It is possible, however, for a transfer student with fewer than the last five of the eight terms to share the position of valedictorian or salutatorian.

## **GRADUATION WITH STATE HONORS AND STATE DISTINCTION** **[R & R 0520-1-3.06]**

1. Students who score at or above all of the subject area readiness benchmarks on the ACT or equivalent score on the SAT will graduate with "state honors."

  - c. Participate in one of the state's All State musical organizations.

### **Graduation Ceremony**

No student will be permitted to go through graduation ceremonies in Sumner County until all requirements for graduation have been satisfactorily completed.

### **Classification of Students**

Students will be classified by both tenure in the school program and by credits earned. The policy on Senior Warning Procedures is applicable to all students who anticipate graduating within the academic year. Year of entry will be the basis for determining graduation requirements.

Classification is done at the beginning of the fall term and is for one full year.

**Freshman:** A student who satisfactorily completed the eighth grade.

**Sophomore:** A student who is in the second year of high school and has satisfactorily completed 6 credits.

**Junior:** A student who is in the third year of high school and has satisfactorily completed 12 credits.

**Senior:** A student who is in the fourth year of high school and has satisfactorily completed 18 credits.

**Graduating Senior:** Graduating senior is a student who is in at least the fourth year of high school and in range of graduation.

## **SUMNER COUNTY ATTENDANCE POLICY**

The Board recognizes that good attendance at school is basic to student learning. Attendance is a key factor in student achievement: therefore, students are expected to be present each day that school is in session. Parents have both a legal obligation and a moral responsibility to see that children are present every day that school is in session.

### **Tennessee Compulsory School Attendance Law**

The Compulsory School Attendance Law in Tennessee requires children to attend school each day. A student who has been absent five days (this means a total of five days during the school year and not necessarily five consecutive days) without adequate excuse is considered truant and may be summoned to court. Whenever possible, attendance issues should be resolved at the school level. Prior to referral to a truancy officer, a meeting shall be held at the school to assist the family and improve student attendance via an attendance contract. If unexcused absences continue to accumulate, the Director of Schools or his/her designee will report the parent and student to the Juvenile Court for further action.

For absences of a full or part day to be considered excused, a written note from the parent, guardian, or doctor must be provided. After accumulation of five days of excused absences, the parent\guardian must file more formal documentations as an excused absence.

The following are official/adequate excuses that should be turned in to the attendance secretary in the school office

- Medical note for the student (doctor, dentist, hospital, etc.)
- Student illness not requiring a doctor visit (five parent notes per semester)
- Court note for the student
- Funeral notice
- Recognized religious holiday
- College Visits
- Military deployment paperwork for parent

### **Tardies**

Any student not in the classroom when the class begins is tardy. Students who accumulate excessive unexcused tardies are considered truant and will be reported to Juvenile Court. A tardy is only excused by a doctor's note

### **Unexcused Early Dismissals**

For any student that is dismissed from school without a valid reason, the absence will be considered an unexcused early dismissal. A doctor's note excuses the early dismissal. A parent note may only be used to excuse a full day of absences.

Tardy detentions: If you are tardy to school three times without a doctor's excuse you will receive a detention. You will receive a detention for every unexcused tardy for the rest of the term. If you are tardy to class without a written excuse from another teacher or the office three times, you will receive a detention. You will receive a detention for every unexcused tardy for the rest of the term.

### **Make-up work**

Upon the first day of returning to school, it is the students to make contact with the teacher(s) regarding make-up work. During the school year, make-up work must be completed within a number of days equal to the number of consecutive days of the absence.

## **BHS SPECIFIC ATTENDANCE EXPECTATIONS**

## **ABSENTEE SLIPS (ADMIT SLIPS TO CLASS)**

Upon return from an absence, the student must present a verified excuse note or a parent note to the attendance clerk to get an admit slip before 8:00 AM. Your note from home or doctor should include: Full name, date(s) of the absence, grade level, and parent phone for verification.

**You will not be admitted to class without an absentee slip and will receive a tardy infraction if you have to leave class to go get one on class time.**

## **MAKE-UP PROCEDURES**

### **Make-up Work**

All missed class work or tests must be made up provided the student brings a note for the absence upon return to school and makes a request to the teacher within 24 hours upon returning to school. **The make-up work must be returned to the teacher within a number of days equal to the absence.**

### **Make-up Tests**

Students will be allowed to make up missed tests promptly upon return. **Any test not made up will be recorded as a zero (0) until it is made up.**

A minimum of one (1) full school day is necessary to have the assignments ready for pick-up. It is the **student's responsibility always** to check with the teacher upon returning to school to see what work was missed and to make arrangements to make up any tests and/or quizzes and any other requirements of the class.

## CODE OF DISCIPLINE

The following Code of Discipline is a set of rules and policies which you must obey. Contained in the Code are State and Federal laws, Sumner County School Board policies, as well as Beech Senior High School rules. The Code is for one purpose only: **to be sure that we maintain a safe and orderly atmosphere, one conducive to learning, and one where a student may fulfill his or her potential.** Students are encouraged and expected to report anything that they feel poses an imminent danger to students. Rewards may be offered under special circumstances.

### STUDENT RIGHTS, RESPONSIBILITIES, AND PRIVILEGES

Each student has the **right** to a full day's learning each day, in a safe and orderly environment, free from disruption by other students and from unnecessary distractions. Each student has the **right** to be treated with respect by other students and by his/her teachers.

Each student has the **responsibility** to know and to obey the rules and regulations of Beech Senior High School so that all students may attain the highest possible level of academic achievement and personal growth.

### DRUGS AND ALCOHOL

All athletic events at BHS are under the Rules and Regulations of the TSSAA. This includes both participants and spectators. Every student at such events must use sportsmanlike conduct. These are school events and ALL rules apply.

## **CAR PASSES**

A student must have written permission from the office or an administrator to go to the parking lot. **These will only be given in an emergency.**

## **CELL PHONES**

It is our intentions to protect learning time and minimize distractions in class. Students who are texting, talking, or playing games on their phone are not giving their full attention to instruction.

**No taking pictures or videoing during school hours. If you are found to post pictures or videos of students from during the school day, suspensions will be given.**

**Phones and other recording devices are not permitted to be used in classrooms unless specific permission is given by the teacher for a specific assignment.**

## **CHEATING**

If a teacher suspects a student of cheating to earn a grade, then that teacher shall consider an alternative test or measure. Unless a teacher has absolute proof of cheating, the student shall be given the benefit of an alternative measurement or test. When a teacher has proof of cheating, a grade of “zero” will be issued and the matter shall be turned over to the principal for disciplinary action.

## **BEECH HIGH SCHOOL STANDARDIZED DRESS CODE**

Students are reminded that while some garments may be suitable for other occasions, they may not be deemed appropriate for school attire. ## **FIGHTING**

Fighting will not be tolerated and will be met with stern disciplinary action. Fights have loosely defined stages including mouthing, taunting, cursing, threatening, shoving/pushing, wrestling, and actual hitting/slapping/punching. All these steps are considered contributing factors to and part of a fight. In most cases both students are deeply involved in several of these steps. For that reason, except in very rare instances, all involved in any of these steps of a fight will be disciplined. Each of the developing stages of a fight presents the opportunity for a student to simply walk away or to notify an adult of the problem. To refuse to do so is a choice to continue the development of the fight. Suspension will almost always result for both parties. In addition, any student who actively encourages the fight or contributes to its developing stages may also be disciplined.

Fighting may result in notification of the Student Resource Officer for arrest of the student for unruly behavior and for disturbing the peace. Repeat offenses will result in Out of School Suspension for ten (10) days with a referral to the School Board Disciplinary Committee.

## **FINANCIAL OBLIGATIONS**

Any financial obligation which is incurred by a student must be cleared before grades or transcripts can be issued. Students must be cleared of any obligations to be exempt from exams. If a student is involved in a fundraiser, the money and/or merchandise for which the student owes must be cleared.

## **FIRE SAFETY EQUIPMENT**

Any student who pulls a school fire alarm falsely will be automatically suspended from school for ten (10) days and referred to the State and Hendersonville Fire Marshalls for prosecution. Fire alarms are placed in school buildings for the safety of students and are not to be tampered with. Also, do not tamper with the sprinkler system, fire extinguishers, or any other fire safety equipment. Any student who does so will be charged with vandalism and subject to pay all damages. We will not tolerate any behaviors which endanger our students.

## **LUNCHTIME**

If you have brought your lunch, you may go to the Student Activity Center during your lunch time. If you are purchasing lunch from the cafeteria, you will need to go directly to the main building. You must report directly to one location at the beginning of lunch. You cannot go between the two locations during a lunch period.

**Students are not to be on the front patio or in the parking lots.**

Eating is allowed only in the cafeteria or student activity center. Students are to stay seated unless throwing away trash or getting items from the cafeteria line. No loitering at other tables.

Students who leave campus without permission may be assigned ISS/OSS and lose driving privileges. **Students may not leave campus for any reason during the school day without signing out once they are on school grounds.**

Teachers will strictly enforce a FIVE minute time limit on students returning from lunch.

## **OUTSIDE FOOD/DRINK**

Students are prohibited from consuming competitive food and drink (i.e. McDonalds, Chik-fil-a, Dairy Queen, Starbucks, Dunkin Donuts, etc) in classrooms and the cafeteria during the school day. You cannot have outside food in the cafeteria. If someone has brought you outside food for lunch, you will have to eat in the office.

## **MAILING LISTS**

Several companies have contracts which require that we give them the mailing addresses of our students. Jostens (yearbook) and Lifetouch Portraits (Senior Pictures) are two such companies. A written request from parents to the principal will delete their student's name.

## **NOTIFICATON OF RIGHTS UNDER FERPA**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. They are: (1) The right to inspect and review the student’s education records within 45 days of the day the School System receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected. (2) The right to request amendment of the student’s education records that the parent or eligible student believes are inaccurate or

misleading. Parents or eligible students may ask the Sumner County School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District discloses records without consent to officials of another school district in which a student's seeks or intends to enroll. Requests are forwarded upon request.
