

Beginning January 11, Sumner County Schools will return to the Extended Hybrid Schedule as established within our district reentry plan. SCS will remain on the Extended Hybrid schedule through January 22. All K-5, CDC, and Pre-K students will attend school full-time, each day of the week. Middle and high school students will attend school on the Extended Hybrid schedule through January 22.

Out of an abundance of caution, we implemented our virtual learning model to begin this semester. This allowed us the opportunity to analyze the data and trends of active cases over the holiday break. We were expecting a surge of active cases which did occur. Our highest active case number occurred on 12/21 – other than that day our active case count has remained consistently below the 1% infection rate which is the threshold for Distance/Remote Learning.

The district's goal is to return all students to in-person instruction daily as soon as possible, while protecting the health and safety of our students, staff and communities.
