

STARS/Students Taking A Right Stand hosted their annual food drive benefitting the Sumner County Food Bank. The food drive took place for the two weeks leading up to Thanksgiving break and it was a huge success. The food drive was made into a contest between all the skinny block classes, where winners were determined by the average number of items collected per student in each participating class. Mrs. Ridgill's skinny block class won 1st place, Mrs. Edmonds won 2nd, and Ms. Manwaring's class took 3rd place, but the biggest winners were the residents of Sumner County who benefit from the wonderful work the Sumner County Food Bank provides!
