Any disruptive behavior or not following these rules could result in removal from the course. I will be immediately dismissed from the lab if my behavior affects others.
- Cellphones are not to be used while students are in the Virtual Lab during class time, They are to be left in the car, backpack on silent or placed in the Storage System in the Lab Office. Failure to do so will result in the instructor taking up the cellphone for the remainder of the class.
- All TESTS must be completed in the Virtual Lab.
- I understand that if I am dismissed from a Virtual School Course for any reason, I understand that reentry to the program is contingent upon approval of a new application. (Please know that the reasons for removal will be considered.)
