

# BHS Staff Birthday Club

PTO goes BUC-WILD for staff birthdays!

**Here's how it works:** You pick a staff member, or I'll suggest one and email their information to you. You send a birthday card and gift card of at least \$5 and/or goodies totaling at least \$5. Alternatively, you can sponsor one or more staff via cash, check, VenMo or Paypal. PTO will sign your name to a birthday card and provide a \$10 gift card.

PTO will also do one All-Staff Birthday event with grab-and-go cupcakes later this year.

\*Birthday items are due **on the staff member's birthday**; if it falls on a weekend or holiday, items are due **the school day prior**. Items can be sent in with your student or dropped off in the office of the building where the staff member works.

**Please make a selection:**

**Option 1:** I have a staff member. I'll deliver a birthday card with a gift card and/or goodies of \$5 minimum value to them as outlined above.

**Option 2:** I need a staff member. I'll deliver a birthday card as well as a gift card and/or goodies valued at \$5 minimum to them as outlined above.

**Option 3:** I'd like PTO to sign my name on a birthday card and provide a \$10 gift card. I'll reimburse via check, cash, PayPal or VenMo. PTO will deliver the items to the staff member on my behalf. I'll receive an email confirmation.

I'll send an email reminder a few days beforehand. If something comes up and you're unable to fulfill this obligation, please let me know. As always, if you have questions or suggestions, call/text/email me.
