

Red Ribbon Week was busy at BHS! The Sumner Co. Sherriff's Department k-9 Unit did a demonstration for 9th graders. STARS Peer Leaders did Choking Charlie, a tobacco prevention program, at TWH and BES, and The Sumner Prevention Coalition, along with STARS Peer Leaders, did the Trivia Wheel during lunch with questions about alcohol, vaping, tobacco products, opioids, Delta-8, steroids, and marijuana. We had dress up days, a food drive, morning announcements, and videos about the effects and risks of drugs, vaping, and alcohol and the impact our decisions have on our future.
