

Teachers: It is time to begin the registration process. Counselors will be coming into skinny blocks to make a Power Point presentation to all upcoming Juniors and Seniors and give them the materials they need. Current Seniors will need to report to the room of an assigned teacher. We have combined skinny block classes to meet with as many students as possible on a given day. The combinations, meeting dates, and locations are below. We understand your instruction time is valuable and appreciate you all welcoming us into your classrooms!
